MADELEINE SALHANY

GLS Alumni Madeleine Salhany has been dancing professionally abroad for three years. After graduating from the BFA program at the Conservatory of Dance at SUNY Purchase, she went on to work with companies such as Les Ballets Jazz de Montréal and Tanzcompagnie Gießen/Stadtheater Gießen. She will be joining Theater Trier (Germany) as a company artist next season.

Throughout these years she's had the pleasure of working with several choreographers including Sidra Bell, Bobbi Jene, Ana Maria Lucaciu, Marne van Opstal, Mauro Astolfi and Itzik Galili. She has also attended NDT Summer Intensive, Arts Umbrella's International Summer Dance Intensive and has performed at several dance festivals/galas across Europe. Madeleine is excited to come back home this summer and share her knowledge and passion with you all!

GERARD MCISAAC

A double alumnus of the Canada's National Ballet School (Professional Ballet Program/Teachers Training Program for Former Pros - TTPPD, Dip with Distinction), Mr. McIsaac is a highly regarded/accredited Professional Dance Educator/Master Class Facilitator and one of North America's leaders within the dance community at large. His vast experience as a Professional Dance Adjudicator (over 25 years, at both Regional and National levels) and his unique ability to inspire dancers to achieve their highest technical and performance potential are well respected, and eagerly sought after.

Mr. McIsaac is the Resident Classical/Contemporary Ballet Master for numerous competitive dance studios within the Greater Toronto area, instructing students from ages 6-19. He also mentors Youth America Grand Prix and RAD Solo Seal participants and boasts an impressive roster of private clientele under his company - Dance Direction.

DARIA PUGACH

Daria is a ballet teacher based in the Greater Toronto Area well-known in the dance community for her passion to dance and mastery to expose students' unique abilities. She gracefully combines the best of Vaganova style traditions with current day innovations and techniques.
