REGISTRATION PROCESS

STEP 1: PRE-APPROVED CLASSES

All families who have danced with GLS before will be receiving a list of pre-approved classes by email and a copy of their current balance or credit with the studio. All accounts must be settled before registering for the new season. If you have any questions about your pre-approved classes after receiving them, please email the studio. Haven't received your pre-approved classes? Check your spam folder! We've received some reports of our emails going into spam due to the increased volume we've been sending out... we're just too excited to be back in studio! For families new to the studio, please email us for class recommendations.

STEP 2: REGISTRATION OPENS

Registration opens on **Wednesday August 3rd** for families returning to the studio, and August 10th for new families. An email will be sent out to returning families at that time with a link to our registration form. You will select your classes at this step in the process and submit them to our team for processing. Please note that due to the number of registrations, there may be a bit of a delay in receiving your confirmed class schedule.

STEP 3: PAYMENT

Once your registration has been processed by our team, you'll receive an invoice and confirmed class schedule. Payments can be made online this year by credit or VISA debit. In order to speed up registrations, we are not accepting e-transfers or payments by phone at this time. Please contact the studio for technical assistance if you have difficulties with the online payment processor.

STEP 4: GET READY FOR DANCE!

After your payment has been recorded and processed by our team, you will receive a confirmation of payment and a detailed class schedule. Please note that our payment processor and studio management system are not fully integrated, so there may be a delay in receiving confirmation.

EXAMS & CLASS AWARDS

The Royal Academy of Dance ballet examinations and class awards provide an excellent opportunity for aspiring dancers to demonstrate their skills and artistry while also motivating them toward achievements for each grade level. Dancers must take a certain number of classes per week to be eligible for exam and class award consideration, and must be registered as of Term 1. When registering for exams, there is no flexibility on examination dates or refunds, as the exam dates are determined solely by the RAD and not by GLS.

In a formal RAD examination, dancers enter in groups of up to 4 to perform exercises and repertoire on their own in front of an examiner. A class award assessment is less detailed than exams, allowing candidates to demonstrate their progress and receive feedback. Groups of up to 8 dancers go in with their teacher leading the examination class. All candidates who successfully pass an examination or class award receive a certificate of achievement.

Part-time competitive dancers may be considered for either a class award or a formal exam based on the teacher's discretion and their hourly time requirement. Full-time competitive dancers may take the Open Ballet class as a supplementary class (which can count towards pointe eligibility), however it will not count towards their weekly class requirements to be eligible for a class award or exam.

	NO EXAMS	ELIGIBLE FOR CLASS AWARD	ELIGIBLE FOR EXAM OR CLASS AWARD
PRIMARY		1-2 classes weekly

NEW STUDENTS

New dancers who have not taken the RAD syllabus at previous studios will be assessed and placed at a level appropriate to them. Please contact the studio to arrange an assessment and discuss your dancer's options. Students 15+ who have not taken ballet before are recommended to take one of our adult classes.

ADULT & POST-SECONDARY

ADULT CLASS LEVELS

Since all dancers progress at different rates, we hesitate to put minimum years of training requirements or suggestions to any classes or levels. Many classes have broader or shifted definitions of levels based on the abilities of the dancers within the class, which can change from year to year. Don't find yourself discouraged if a lower level class suits you better from one year to the next!

No matter what level you find yourself in, rest assured you'll be receiving the same high quality level of dance training GLS is known for! We encourage all new and returning adult dance students to email the studio for level recommendations if they are unsure or would like clarification on a pre-approved class. In-class assessments are also available upon request. We look forward to helping you find the perfect level for your current dance ability!

Drop-in classes are available for certain levels and times; dancers must pre-register and pay for the class they would like to drop in for each week on our website here: <https://gretaleemingdance.com/adult-drop-in/>
